

# FIELD TRIPS & WALK-A-THON

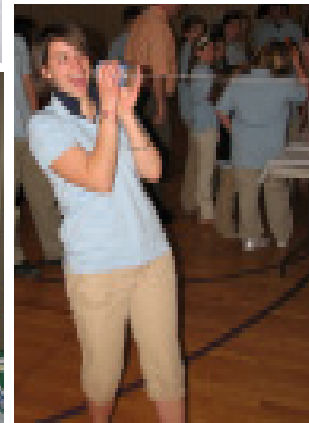

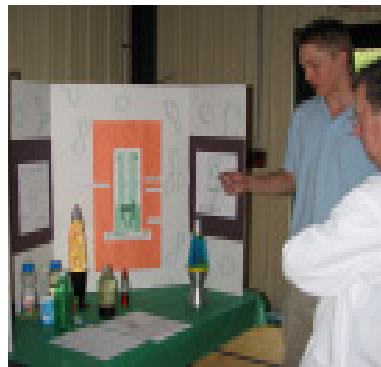

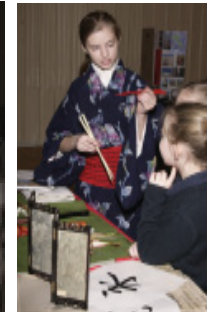

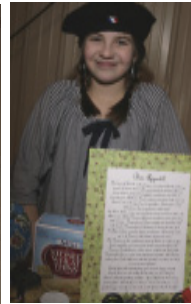

“Preparing Tomorrow’s Leaders Today”

*Our goal at King’s, hand-in-hand with a strong academic program, is to provide many experiential opportunities to the students through such events as field trips and our Walk-a-thon each year.*

# SCIENCE, ARTS, AND CULTURAL FAIRS

*Our annual science, arts, and cultural fairs teach students to research, plan, display, and creatively demonstrate their findings in a wide variety of genre.*
