

Greetings! from
The King's School
Health Office!

July 2022.

We hope everyone is enjoying their summer! So you can be planning ahead, we would like to let you know what is required from the Health Office for your students' first day of school!

We are looking forward to taking care of your child here at King's!

Listed are the forms needed for your student's medical file to be up-to-date for the upcoming year. Forms can be downloaded from the school Website, under Forms.

- **Physical form** - Physicals are due for students in kindergarten, first, third, fifth, seventh, ninth, and eleventh grade. Also grades playing any sports. Have your provider include hearing, vision, and scoliosis screening as this is required by NYS. **Take the attached NYS School Health Exam form to your physician.**
- **Immunizations** - Your child must meet NYS immunization requirements for 2022-2023 school attendance. **See the required NYS immunizations form.**
- **Health History** - Please complete form and sign at the bottom. Updated yearly, this is how we know your child's health history and how to best take care of them. Please include food allergies, medication and medical diagnosis. **See Student Health History form.**
- **Dental Certificate** - NYS requires schools to request a dental certificate. This is optional. Please see optional Dental Certificate attached.
- **Medication** - If your child has a medication he or she needs to receive during the school day, you will need to complete a medication order form. Your child's physician is required to sign the order as well. We are unable to give any medications without this form being completed. **Please see the Medication Authorization form.**
- **Sports Physical** - This must be completed if your child is playing a sport and has not submitted a physical within a year of the start date of the sport. **Please see the Athletic Physical form.**
- **Sports - NYSED Interval History**- This form is needed if your child has not had a physical within 30 days prior to the beginning of that sport's first practice. **Please see the NYSED Interval Form**

Please complete and turn in **all forms** prior to the first day of school. There are many options: **Mail** (PO BOX 300, Lake Luzerne, 12846); **Drop Off** at school (The office is open from 9-2 each Tuesday); **Open House** (scheduled for September 6th (time to be determined)); **email:** nurse@kingsschool.info; or **Fax:** 518-654-7310. For any questions, please feel free to call at 518-654-6230. We are looking forward to seeing everyone in the Fall!
