

A Note From The Health Office

Welcome to The King's School New International Student!

Please turn in the following forms to the Health Office prior to your first day:

- A copy of an updated physical
- Immunization records
- Health history form
- PPD is required for all students who have not received the BCG immunization. However, if your student has received the BCG immunization, a chest X-ray ruling out Tuberculosis is required.

Thank you, and we look forward to the upcoming school year!
