Bedtime Stories for a Peaceful Sleep

By Kellie Girling

These stories and songs were designed to remind Christian children about the messages of hope in God's Word as they learn to navigate the anxious world around them. Although the scriptures remind us that "in this world we will have troubles," they also provide us with the most miraculous spiritual gifts and tools, not only to survive but to live an overcoming life here on earth.

My prayer is that these simple stories and songs will be an incredible blessing to your children by providing them with peaceful thoughts, dreams, and sleep and by empowering them in the Holy Spirit to live victorious lives over fear.

The album details:

Story One - *Feeling Small* & Song "I Know Who I Am"

Story Two - *Feeling Fear* & Song "Fear Is Not My Home"

Story Three - *Feeling Shy* & Song "Be A Friend"

Story Four - *Feeling Christmas* & Song "One Child, One Star, One Night"
