

Pizza Day on Thursday the 10th!!

The senior class has come together and will be serving pizza on occasional Thursdays throughout the year. Since the school kitchen is not providing pizza every Thursday, the school administration has approved the senior class to serve pizza ***in an attempt to raise money for their senior trip this coming spring.***

Below is a chart to fill out so the senior class knows how much pizza to order. We ask that payment be made in cash only as that is easier for the office to keep track of senior funds.

We will be serving cheese and pepperoni pizza from Roccas for \$3 a slice and \$5 for two slices.

Please print out this form and have it turned into the main office no later than Wednesday, February 9 as there won't be guaranteed extras.
