

Greetings from
The King's School
Health Office!

July, 2021.

We hope everyone is enjoying their summer! So you can be planning ahead, we would like to let you know what is required from the Health Office for your students' first day of school!

We are looking forward to taking care of your child here at King's!

Listed are the forms needed for your student's medical file to be up-to-date for the upcoming year.

- **Physical form** - Physicals are due for students in kindergarten, first grade, third grade, fifth grade, seventh grade, ninth grade, and eleventh grade. Please submit your child's physical. **Please take the attached NYS School Health Exam form to your physician.**
- **Immunizations** - Your child must meet NYS immunization requirements 2021-2022 for school attendance. **Please see the required NYS immunizations form attached.**
- **Health History** - This is so important. This is how we know your child's health history and how to best take care of them. Please include food allergies, medication and medical diagnosis. **Please see Student Health History form attached.**
- **Dental Certificate** - NYS requires schools to request a dental certificate. This is optional. Please see optional Dental Certificate attached.
- **Medication** - If your child has a medication he or she needs to receive during the school day, you will need to complete a medication order form. Your child's physician is required to sign the order as well. We are unable to give any medications without this form being completed. **Please see Medication Authorization form attached.**
- **Sports Physical** - This must be completed if your child is playing a sport and has not submitted a physical within a year of the start date of the sport. **Please see Athletic Physical form attached.**
- **Sports History Update** - This form is needed if your child has not had a physical 30 days prior to the beginning of the sport. **Please see Student Health History (same as above) form attached.**

Please be sure to complete and turn in your needed forms prior to the first day of school. The school office is open from 9-2 each Tuesday for drop-off. Open House Tuesday, September 7, 2021 is another day on which you can drop off forms. Forms can also be faxed to the Health Office at 518-654-7310. For any questions please feel free to call the school at 518-654-6230. We are looking forward to seeing everyone in the Fall!
