We will accept tuition payments at the school when paying in full. FACTS payments are made July - May. You may opt to have your operational fees, and/or your fundraising contribution, included in these monthly payments. You will be given an invoice and information regarding the FACTS tuition program once we receive your enrollment fee.

IMPORTANT INFORMATION:

Tuition may be paid-in-full before the first day of school, or by monthly ACH direct debit through FACTS Management Program.

Late Enrollment: Enrollment during the school year requires tuition payments for the full quarter in which the student enrolls. Operational fees and fundraising fees are pro-rated quarterly.

General Account: Any annual fees that are paid within the school year and are not depleted at the end of the year will remain in the school's general account.

Tuition Discount: A \$50 discount is applied to K-12 tuition ONLY if paid in full by July 1, 2021. Please indicate your intention to pay tuition in full when you enroll your child.

Referrals: **NEW STUDENT INCENTIVE REFERRAL** - An enrolled family who refers a new student(s) to King's will receive \$500 off their next year's tuition for each new student enrolled. The full discount will be applied after the new student(s) completes one school year at King's. That means, if you refer a family with 3 students to King's and they remain enrolled for the entire school year, you'll get \$1500 off your tuition the following year. Imagine the savings if you refer 2 or 3 families! *(If the new student enrolls/un-enrolls during the school year, the \$500 will be prorated on a quarterly basis, matching the time of their enrollment.)*

Transcripts: Transcripts and diplomas will not be released until tuition and other fees, including operational and fundraising, have been paid in full.

Delinquent Accounts: Student records may be withheld if account is 30 days delinquent. Students may not attend school or take examinations if the account is past 60 days delinquent. Please note that if there is a balance due on tuition from a previous school year, students may not re-enroll for the next school year.

Withdrawal: Withdrawal/Early Release for any reason requires payment of tuition for full quarter in which the student withdraws. Operational fees and fundraising obligations may be pro-rated.
